NO. 21. CORPUS CHRISTI CELEBRATION. Picture B. A little strengthening of the lines in the building, up on top, might have to be done and also the waving effect of the leaves at right be touched up. Picture C. - same as on picture B. Picture A. - Considerable foreground can be taken away and also a lot of it above the group. Remove the few hats in the grass on the terrace. These three pictures are to be grouped - B & C at the top and A. below, making each picture as large as possible. We want to see the group arrangement and retouched photographs before the cut is made.
